### “April Showers Bring May Flowers”

Dear PVS Families,

Spring has arrived! Thank you to all the participants in our “Spring Break Camp,” the teachers and children had so much fun.

April will be another month full of fun experiences for the children, as we explore their creativity, imagination, and intuition.

April brings us the “Month of the Young Child.” Each child will have a special day to be recognized for their unique qualities. On your child’s assigned “special day,” please send in a favorite toy, book, a baby picture of your child, and a family photo to show and tell in the class, this activity helps them expand their language and communication skills.

Easter eggs symbolize new life and the arrival of Spring. It matters little if preschoolers are hunting plastic eggs or real ones; the joy of Spring and the fun of the game come with both. We will have our Easter egg hunt on Thursday, April 2<sup>nd</sup>. We will fill many of the eggs with treats and tickets to receive a prize egg for each child.

Once again we would like to thank all of our parents for giving us the opportunity to partner with them in creating an environment where our children are enriched, nurtured, and cherished!
