Dear PVS Families,

Love is in the air! We always enjoy how the children get so excited about Valentine's Day and giving those sweet, little notes to their friends. This month we will share valentines the week of Feb 9 - 13. Please have your child bring a valentine for everyone, only write who they are from (not whom they are to). This would be a great time to have your child practice writing his/her name. There are 25 children in our community. If possible, please send a few extras too. This will be also our "Random Acts of Kindness Week" we will talk about sharing, caring, and how giving a hug or smile can really brighten someone's day.

We will continue to work on letter sounds and few science experiments, as well as exploring the continents (focusing on Europe and Asia).

Once again we would like to thank all of our parents for giving us the opportunity to partner with them in creating an environment where our children are enriched, nurtured, and cherished!

Happy Valentine's Day
